Dear [REDACTED]

25X1

Words cannot adequately express to you and your children my deeply felt sorrow over the loss of your husband. However, I want you to know that we in this Agency also share your feeling of great loss. [REDACTED] was a patriot who cherished and supported the ideals of our nation. His dedication to his country led to the ultimate sacrifice -- his life. We are all very proud of [REDACTED] and the excellence with which he served. [REDACTED] made many friends during the time he was with the Agency. His winning smile and soft southern accent added to the respect and affection that his fellow officers felt for him. He will be remembered by his friends and colleagues. I hope that you will derive some comfort in knowing that [REDACTED] served his country and the Agency exceptionally well while at the same time doing what he always wanted to do. Please feel free to call upon myself or [REDACTED] colleagues if there is anything that we in the Agency can do for you during this difficult time, or at any time in the future.
